

§ 1421.306

7 CFR Ch. XIV (1-1-04 Edition)

for the farm on the date which the producer submits a complete program application to CCC. For triticale, the loan deficiency payment rate will be equal to the rate for the predominant class of wheat in the county where the farm is located in effect as of the date of the application is filed.

(b) The payable units of production shall be computed by multiplying the eligible grazed acres by the applicable yield determined under paragraph (c) of this section.

(c) The payment yield shall be the yield in effect for the calculation of direct payments under part 1412 of this chapter. In a case of a farm for which a farm program payment yield is unavailable for a covered commodity, an appropriate payment yield for the covered commodity on the farm will be determined by CCC taking into consideration the farm program payment yields applicable to the commodity using three (3) similar farms. For triticale, the payment yield shall be the yield for wheat from three (3) similar farms in that county.

(d) No payment may be received or retained under this subpart to the extent that the payment, were they considered to be LDP's, would place that person over the per person per year payment limit that applies to LDP's. The producer agrees that the CCC may collect any payment considered to be an overpayment by reason of this subsection by withholding LDP payments until the matter is resolved, by treating the LDP as being not payable to the extent that a grazing refund would otherwise be due, by setoff, or by any other means available to CCC.

(e) Payments can be withheld until the actual grazed acreage is verified and justified in connection with any other reports filed with FSA with respect to the farm (or filed with some other person or agency) and until all other necessary information is obtained. The CCC may require such other verification as it deems appropriate to assure that the program goals are met.

(f) To receive the payment, the eligible producer must submit a request for payment on an application form as prescribed by CCC or FSA. The application may be obtained from the county FSA

office, or from the USDA or FSA web site in the Internet. The form must be submitted to the county by the close of business on or before March 31 of the applicable crop year.

(g) The producer will be ineligible for payments under this subpart if any discrepancies between the reported acreage on the program form and other reports of acreage by the producer are not resolved by a date set by the CCC.

(h) Unless otherwise authorized by the Deputy Administrator, all payment shall be made no later than September 28, 2001.

§ 1421.306 Misrepresentation and scheme or device.

(a) A producer shall be ineligible to receive payments under this subpart if it is determined by DAFP, the State committee, or the county committee to have:

(1) Adopted any scheme or device which tends to defeat the purpose of this program;

(2) Made any fraudulent representation; or

(3) Misrepresented any fact affecting a program determination.

(b) Any funds disbursed pursuant to this subpart to a producer engaged in a misrepresentation, scheme, or device, or to any other person as a result of the producer's actions, shall be refunded with interest together with such other sums as may become due. Any producer engaged in acts prohibited by this section and any person receiving payment under this subpart, as a result of such acts, shall be jointly and severally liable for any refund due under this section and for related charges. The remedies provided in this subpart shall be in addition to other civil, criminal, or administrative remedies which may apply.

§ 1421.307 Refunds; joint and several liability.

(a) In the event there is a failure to comply with any term, requirement, or condition for payment arising under this application, or this subpart, and if any refund of a payment to CCC shall become due for that or other reason in connection with the application, or

this subpart, all payments made under this subpart to any producer shall be refunded to CCC together with interest as determined in accordance with paragraph (c) of this section and late-payments charges as provided for in part 1402 of this chapter.

(b) All persons listed on an application shall be jointly and severally liable for any refund due in connection with that application and for any related charges which may be determined to be due for any reason.

(c) Interest shall be applicable to refunds required of the producer. Such interest shall be charged at the rate of interest which the United States Treasury charges CCC for funds, as of the date CCC made such benefits available. Such interest shall accrue from the date such benefits were made available to the date of repayment but the interest rate shall increase to reflect any increase in the rate charged to CCC by Treasury for any percent of time for which the interest assessment is collected. CCC may waive the accrual of interest if CCC determines that the cause of the erroneous determination was not due to any action of the producer.

(d) Late payment interest shall be assessed on refunds in accordance with the provisions of, and subject to the rates in 7 CFR part 1403.

(e) Producers must refund to CCC any excess payments made by CCC with respect to any application in which they have an interest. Such refund shall be subject to interest at the same rate that applies to other refunds.

Subpart E—Standards for Approval of Warehouses for Grain, and Similarly Handled Commodities

SOURCE: 44 FR 67078, Nov. 23, 1979, unless otherwise noted. Redesignated at 67 FR 63511, Oct. 11, 2002.

§ 1421.5551 General statement and administration.

(a) This subpart prescribes the requirements which must be met and the procedures which must be followed by a warehouseman in the United States or Puerto Rico who desires the initial or continuing approval by the Commodity

Credit Corporation (hereinafter referred to as "CCC") of warehouse(s) for the storage and handling of:

(1) Wheat, oats, corn, rye, barley, sorghums, flaxseed, soybeans, sunflower seed, canola, rapeseed, safflower, mustard, and such other oilseeds as the Secretary may determine under a Uniform Grain Storage Agreement (which commodities are hereinafter referred to as "grain"),

(2) Rough rice under a Uniform Rice Storage Agreement,

(3) Milled rice under a Milled Rice Storage Agreement,

(4) Dry Edible Beans under a Bean Storage Agreement, and

(5) Seed under a Seed Storage Agreement, which are owned by CCC or held by CCC as security for price support loans.

This subpart is not applicable to grain, rough and milled rice, dry edible beans, and seed purchased in store for prompt shipment or to handling operations of a temporary nature.

(b) Copies of the CCC storage agreement and forms required for obtaining approval under this subpart may be obtained from the Kansas City Commodity Office, U.S. Department of Agriculture, P.O. Box 205, Kansas City, Missouri 64141 (hereinafter referred to as the "KCCO").

(c) A warehouse must be approved by KCCO and a storage contract or agreement must be in effect between CCC and the warehouseman before CCC will use such warehouse. The approval of a warehouse or the entering into of a storage contract or agreement does not constitute a commitment that CCC will use the warehouse, and no official or employee of the U.S. Department of Agriculture is authorized to make any such commitment.

(d) A warehouseman, when applying for approval under this subpart, shall submit to CCC at KCCO:

(1) A completed Form CCC-24, "Application for Approval of Warehouse for Grain, Rice, Dry Edible Beans, and Seed", and a completed Form CCC-24-1, "Supplement to Application for Approval of Warehouse for Grain, Rice, Dry Edible Beans, and Seed",
